Chair  
Committee on Appropriations

Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for critical infrastructure water improvements in fiscal year 2024. The entity to receive funding for this project is the Port Washington Water Pollution Control District, located at 70 Harbor Rd, Port Washington, NY 11050.

The funding would be used for the replacement of main wastewater pumps, valves, piping and controls as well as flood hardening of two pump stations.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

George Santos  
Member of Congress
